ZANUSSI

ZANUSSI COOKING Create a stunning focal point in your kitchen with our fabulous range of cookers in stainless steel, white or black. Offering a choice of electric or gas and designed with flexibility in mind for all your cooking needs, Zanussi helps you get great results every time.

A**'A' Energy**

Zanussi believe that with fantastic cooking performance should also come great efficiency. That's why our electric cookers have 'A' energy rating in the main oven, helping you help the environment and your pocket.

**Thermaflow® fan operated**

Imagine the convenience of being able to cook your main meal, pudding and garlic bread at the same time. The clever placement of the fan ensures no transfer of flavour or taste from one dish to another. Lower cooking temperatures and shorter cooking times help you save time and money.

**Fully programmable timer**

Ideal if you want to come home to a hot meal, our cookers can be programmed to cook your food and automatically switch off at a pre-selected time giving you more time to relax. (ZCV563 only)

**Separate oven and grill**

Available in gas or electric and offering the flexibility to grill and oven cook at the same time, in different cavities.

**Double oven**

Available in gas or electric and offering two separate ovens with a grill in the top cavity, maximising your cooking space. Ideally suited for recipes requiring different cooking functions or temperatures.

**ZCV563**

50cm wide electric cooker with double oven and ceramic hob

Hob features

- 4 ceramic zones in 2 different sizes
- Easy to clean surface

Top cavity features

- Conventional top oven
- Variable grill

RESPONSIVE CUSTOMER CARE/AFTER SALES SERVICE

Once you've bought a Zanussi appliance you're safe in the knowledge that in the unlikely event of a fault occurring you can rely on our commitment to look after your appliance throughout its working life. Our network of fully trained service engineers are available nationwide and our complete care service is one of the most extensive and reliable available.

12 MONTHS PARTS AND LABOUR GUARANTEE

In the unlikely event of any repairs being required in the first year, we will carry them out free of charge. In addition, any repairs carried out after the guarantee period are covered by their own 12 month guarantee*.

* Guarantee conditions provided on request.

RAPID SERVICE

If you call us out under the 12 month guarantee, we endeavour to fix the appliance within seven working days of our first call.

LOCAL SERVICE NATIONWIDE

Backed by the extensive range of spare parts held by our central warehouse, the Service Force Network will endeavour to repair your product in your home within 72 hours of receipt of the original call.*

* Excludes Saturdays, Sundays and Bank holidays, and may not be available in rural or outlying areas.

SERVICE BY APPOINTMENT

To allow you to plan your day we can offer an appointment within a 3 hour time period, when the call is booked two days in advance.*

We can also provide service outside of office hours and Saturday mornings.**

* Please note. The service pledge does not apply in the Republic of Ireland.

**A small extra charge is payable for this service.

MARKETING POLICY

The policy of Zanussi is one of continued improvement. We therefore reserve the right to alter or amend product ranges, specifications and dimensions without notice. All specifications/dimensions including installation dimensions should be checked with the appropriate instruction manual before use or installation. If in doubt, contact your local Zanussi stockist who regularly receives up to date product information from our marketing department. E and O.E.

ZANUSSI IS PART OF THE ELECTROLUX GROUP – THE THOUGHTFUL DESIGN INNOVATOR

Do you remember the last time you opened a gift that made you say 'Oh how did you know? That's exactly what I wanted!' That's the kind of feeling that the designers at Electrolux seek to evoke in everyone who chooses or uses one of our products. We devote time, knowledge, and a great deal of thought to anticipating and creating the kind of appliances that our customers really need and want.

This kind of thoughtful care means innovation with insight. Not design for design's sake, but design for the user's sake.

For us, thoughtful design means making appliances easier to use and tasks more enjoyable to perform, freeing our customers to experience that ultimate 21st century luxury, ease of mind. Our aim is to make this ease of mind more available to more people in more parts of their everyday lives, all over the world. So when we say we're thinking of you, you know that we mean just that.

Electrolux - Thinking of you.
